Dr. M. K. Umathe College, Nagpur Students Satisfaction Survey Report (2020-2021)

The students are an integral part of the institution. In order to capture the experiences of students for the academic session 2020-2021, a questionnaire of 30 parameters has been framed and forwarded online. The questionnaire of the survey includes 30 questions to which responses are given by the students of the institution with the help of Google Forms. The survey components include an institute level feedback on infrastructure and learning experiences. Student Satisfaction Survey was conducted during the month of March 2021.

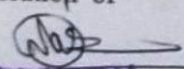

The Pandemic Covid - 19 has enormously affected teaching - learning process for the couple of years. We were unable to take physical classes. The students who take admission in our institution come from economical disadvantaged class of the society. So they do not have smart mobiles and internet facilities available at their end. So we received SSS from very few students. The details of the SSS are given below.

The outcome of the survey will help to reach the objective of the institution. This will also help to initiate remedial action to improve the facilities whenever and wherever it is required. The result of the survey will provide a base to plan for the future.

Totally 118 students responded to Student Satisfaction Survey. The analysis of the survey conducted shows that 97 students were highly satisfied on the Teaching Learning Process of the institution. Students have expressed satisfaction over the syllabus covered in their classes and laboratories.

The survey questions include the parameter like facilities, syllabus, redressal of grievances, course outcomes and related activities in the college revealed that the students are highly satisfied. At the same time the students highly appreciated and satisfied with the implementation of learning outcome based curriculum which includes communication of
