Best Practice - I

Title of the Practice: Student Welfare Fund

Objective: Financial problems shouldn't deprive poor students from the benefits of education

Context:

The main aim of our institution is to extend the benefits of higher education to socially, economically and financially weaker sections of the society. The history of our institution bears testimony to the fact that right from its inception the institution has religiously fulfilled this noble aim. While analyzing the reasons for student dropout and performance in university examinations, it came to our notice that financial constraints, is one of the main reasons. To stop this from happening again, the institution decided to start a student welfare fund.

Practice:

Each and every member of the institution contributes 100 rupees per month for this noble cause. The institution has formed a committee for the same. This collected fund is then deposited in the bank. The staff interacts informally with the students in order to inform them about the scheme. A formal notice is circulated among the students and applications are invited for availing the benefits of the scheme. The applications are scrutinized and the needy students are selected.

The flowing table indicates year wise distributed amount to student.

Sl.No	Year	No. of Benefited Student	Amount
1	2021-2022	19	14500
2	2020-2021	21	2000
3	2019-2020	08	14300
4	2018-2019	40	60090
5	2017-2018	44	43190

Evidence of Success:

This scheme indeed proved beneficial for the students who were on the verge of dropping out and discontinue their studies as they were not able to pay their examination fees. Their problems are resolved and it is seen that they are doing well in studies.

Problems Encountered and Resource Required:

The main problem we encounter every year is that the needy students do not approach us on their own due to hesitation as they feel ashamed of their financial status. We, therefore, take initiative to identify such students and encourage them to avail the benefit.
