**Report**  
**Free Health Checkup Camp**  
**15<sup>th</sup> July, 2023**

The free HbA1c blood testing camp was conducted on 15th July 2023 from 10:00 a.m. to 1:00 p.m. by the NSS (National Service Scheme) and the Physical Education department of Dr. M. K. Umathe College. The camp received an overwhelming response with 50 participants. The President of this health camp was Dr. D.V. Naik, the Principal of the college, and the camp was coordinated by Dr. Vinod Khedkar.

The participants included 39 teaching staff, 15 non-teaching staff, and 5 housekeeping staff. Throughout the testing camp, Dr. Hemant Kelikar, a renowned M.D. Physician and Diabetologist from Dr. Jagannath Dixit's Diabetes Reversal Centre located at Plot No. 15, Deendayal Nagar, behind Radhe Mangalam Marriage Hall, Nagpur, along with his lab technicians, provided their expertise and support.

During the testing, it was observed that three extreme cases had significantly low hemoglobin levels (around 6). One case was from the teaching staff, and the other two cases were from the housekeeping staff. Dr. Kelikar counseled these individuals about the negative consequences of such low hemoglobin levels and prescribed tablets for a month to help improve their hemoglobin levels. Additionally, they were provided with dietary guidance to aid their recovery.

Overall, the health camp was a success and played a crucial role in identifying and addressing potential health concerns among the college staff.
